

OTHER FAMILY LIFELINE SERVICES

FamilyFirst Bank offers an array of banking services to help make your life just a little easier *Because life happens...*

Direct Deposit

Enjoy the safety and security of knowing that your payroll, government or pension check is deposited into your checking or savings account. There's no need to wait for the mailman to deliver your check. Your funds are deposited electronically to your account on the day you expect it.

Wire Transfers

We will electronically transfer funds from your accounts held with us to other financial institutions anywhere in the world. We will also accept any wire transfers into your accounts.

Money Orders and Treasurer's Checks

We offer money orders and treasurer's checks payable to anyone you choose.

Notary Public

As our customer, we will notarize your important documents.

Automatic Transfers

We offer customers the convenience of transferring funds between all **FamilyFirst** accounts.

Night Depository and Drive-up Tellers

We offer safe and convenient night depository and drive-up teller services to save you time.

Automated Teller Machines (ATM's)

Access your funds, day or night, at any of our ATMs. For your convenience, all of our bank offices provide Drive-Up ATM's that accept deposits.

Safe Deposit Boxes

Protect your valuables by renting a safe deposit box. Several box sizes are available to suit your needs. (WARE OFFICE ONLY)
